 Attach proof of repossession from lienholder

 **Customer Request**  
 Obtain customer signature or attach signed customer correspondence

 **Other/Flat Cancel**  
 Explain below and attach documentation (required for flat cancels outside guidelines)

**Explanation** (mandatory for flat cancellation): \_\_\_\_\_

### CANCELLATION DISCLOSURE

- A cancellation of a financed product will not lower your monthly vehicle payment. If your loan is paid in full at the time of this cancellation, please provide us documentation of same.
- There may be a fee for cancellation (please refer to your contract for details).
- Your cancellation refund will be calculated based on the contract terms and conditions, but generally cancellations will be calculated based on the lesser of: unused portion of time or unused portion of miles remaining on the contract term (vehicle service contract); time remaining on the contract term (tire and wheel); according to the terms stated in the waiver addendum (GAP) and any applicable state provisions. Each of these calculations will then be reduced by cancellation fees if there are any stated in your contract.
- By canceling your mechanical breakdown vehicle service contract, all mechanical repairs will be your responsibility and no other benefits accorded under the service contract will be available.
- By canceling your tire and wheel service contract, all tire or wheel repairs, including any necessary replacement will be your responsibility.
- By canceling a GAP waiver, the lender will not be responsible to waive any amount remaining on your loan in the event of a total loss to your vehicle.
- By signing below, I/we have read and fully understand the cancellation disclosure statements as outlined and that the cancellation will be processed as stated above. I/we further understand that from this date forward, no benefits afforded under the coverage being canceled will be provided. (Please allow 30 days from today's date to process cancellation.)

*\*All requests **MUST** be received by CNA National Warranty Corporation or CNA National Warranty Corporation – Florida within **10 days** of the cancellation date indicated above. **The lienholder will be listed as an additional payee unless proof of loan payoff is submitted.***
